Tips and Tricks

USA Triathlon (USAT) Membership

You do not need to do this separately. The EnMotive registration will direct you to the website for this.

When directed to the USAT website, you will need to create an account (or - if you have done this for the Tri for Inclusion before – it will direct you to reactivate your old account).

Once signed into USAT, you will need to select a user profile.

If you are registering yourself (as a chaperone) select your name and choose the third option, \$15 Event License Membership (unless you plan to participate in other USAT events and wish to purchase an annual membership).

If you are registering your child, choose “create a new profile” and you will be able to create a sub account for them.

Your athlete’s name must be exactly the same for EnMotive registration and USAT membership.

If you require assistance with registration, please feel free to call or email Sydney or Kim. We are happy to help!
